UNIQUE FEATURES OF IGNITE INSTITUTIONS

SCIENCE LAB

IGNITE's Science Lab helps enhance the learning abilities of students through Indoor and Outdoor Science Lab exhibits. The integration of Physics, Chemistry, Biology, and Mathematics experiments into academics resulted in a two to three times greater improvement in Objective Results. Activity-based learning doubles the thinking and problem-solving abilities of students.

INDOOR & OUTDOOR GAMES AND SPORTS

Indoor & outdoor games and sports help develop students' physical strength and mental ability. These activities encourage teamwork, discipline, and sportsmanship. Students at IGNITE can participate in latest & trending outdoor games such as Pickle ball, Volleyball and Box Cricket at free of cost.

YOGA / ZUMBA THEATRE

IGNITE provides Yoga and Zumba sessions conducted by pan - India professional trainers. These activities help in improving students' concentration, fitness, and overall well-being.
