ABOUT THE FOUNDER & CHAIRMAN, MR. K. RAMESH

Mr. K. Ramesh is a distinguished educationist, visionary leader, philanthropist, and an accomplished Chemistry faculty member with over 20 years of experience in transforming students' lives through quality education and holistic development. He began his academic journey as a Chemistry lecturer, teaching Intermediate students in top-ranked batches at renowned institutions and consistently delivering exceptional results. His dedication, subject expertise, and student-focused approach enabled countless students to secure top scores and excel in competitive examinations.

Driven by a strong passion for engineering entrance coaching and excellence in competitive education, he established IGNIITE Classes in 2017, with a special focus on IIT preparation — reflected even in the institution's name, where "IIT" stands as the core vision and inspiration. His aim was to create a platform that would nurture aspiring engineers and empower students to compete at the highest academic levels through concept-based learning, disciplined preparation, and innovative teaching methodologies.

Building on the success of IGNIITE Classes, he went on to establish professionally driven junior colleges and schools in 2018. Under his dynamic leadership, IGNITE has emerged as a trusted name in IIT and NEET coaching, combining advanced technology, experienced faculty, personalised mentoring, and result-oriented academic systems to help students achieve excellence.

His vision for holistic education has made IGNITE a pioneer in creating a balanced and student-friendly learning environment at the intermediate level. The institution promotes physical and mental wellness through nutritious meal plans, alkaline water facilities, fitness initiatives, and a vibrant campus culture focused on the overall development of every student.

Beyond academics, Mr. Ramesh is widely respected for his humanitarian efforts and commitment to social welfare. A compassionate philanthropist, he has consistently supported underprivileged communities through impactful initiatives. During the COVID-19 pandemic, while many institutions faced challenges, he ensured full and timely salaries for all staff members without compromise, standing firmly beside his employees during uncertain times.

He also organised relief activities by distributing food, groceries, sanitisers, and essential supplies to orphanages and needy families. His specially developed chemical sanitising formula and extensive community outreach earned appreciation and recognition from the Telangana Education Ministry. In addition, he has contributed books, stationery, school bags, and educational resources to orphanages and financially challenged students, reflecting his belief that quality education should be accessible to every child. Mr. Ramesh has also led several meaningful social initiatives, including:

- Run for Cause
- Miyapur Run
- Run for Swachh Hyderabad
- Plantation Run

These initiatives promoted fitness, environmental awareness, and social responsibility, while also supporting community welfare. The proceeds from the Swachh Hyderabad initiative were contributed to Greater Hyderabad Municipal Corporation, while funds raised through plantation drives and other campaigns supported various social service activities and contributions to Akarsha Foundation.

These initiatives promoted fitness, environmental awareness, and social responsibility, while also supporting community welfare. The proceeds from the Swachh Hyderabad initiative were contributed to Greater Hyderabad Municipal Corporation, while funds raised through plantation drives and other campaigns supported various social service activities and contributions to Akarsha Foundation.

He further extended public welfare services through buttermilk kiosks during the summer and continues to support meritorious students by offering free education opportunities to deserving learners from economically challenged backgrounds.

Through his inspiring journey, Mr. K. Ramesh continues to redefine education with a powerful blend of academic excellence, innovation, compassion, and social responsibility, making IGNITE a symbol of holistic learning and future-ready education.

Chairman's Note

Dear Students, Parents, and Well-Wishers,

Education is not merely about securing marks or achieving ranks; it is about shaping character, building confidence, and preparing young minds to face the challenges of the future with courage and compassion. At IGNITE, we believe that every child possesses unique potential, and it is our responsibility to nurture that potential with the right guidance, values, and opportunities.

Since the inception of IGNITE Classes in 2017 and the establishment of our junior colleges and schools in 2018, our vision has been to create an institution that blends academic excellence with holistic development. While we strive to deliver outstanding results in IIT, NEET, and other competitive examinations, we equally emphasise life skills, sports, leadership, creativity, discipline, and emotional well-being.

In today's fast-changing world, students need more than textbook knowledge. They need resilience, innovation, critical thinking, and the confidence to pursue their dreams. At IGNITE, we continuously adopt innovative teaching methodologies, advanced technology, and student-centred learning practices to create a dynamic and inspiring educational environment.

We also strongly believe that true success lies in becoming responsible human beings who contribute positively to society. Through various social initiatives, community service activities, environmental awareness programs, and philanthropic efforts,

Mr. K. Ramesh, Founder & Chairman
Faculty in Chemistry, 20+ years Experience

we encourage our students to develop empathy, gratitude, and social responsibility alongside academic excellence.

Our commitment remains unwavering — to provide every student with quality education, individual attention, a safe and supportive atmosphere, and opportunities to excel in every sphere of life. The achievements of our students continue to inspire us and strengthen our mission of creating future leaders, innovators, and compassionate citizens.

I extend my heartfelt gratitude to our dedicated faculty, supportive parents, and hardworking students who are the pillars of IGNITE's success. Together, let us continue this journey of learning, growth, and excellence. Wishing all our students a bright, successful, and meaningful future.

Vision

Our vision is to nurture well-rounded, confident, compassionate, and responsible individuals who are inspired to discover their strengths and achieve their fullest potential. We are committed to creating a welcoming, joyful, safe, and inclusive learning environment where every child feels valued, respected, and empowered to learn with confidence. Through holistic education, hands-on experiences, strong values, and equal opportunities, we encourage curiosity, creativity, leadership, and lifelong learning while celebrating every achievement, big or small.

Mission

Our mission is to uphold and strengthen our tradition of excellence by providing meaningful, relevant, and high-quality education in a safe, nurturing, and supportive environment. In an ever-evolving world, we empower our diverse learners with the knowledge, skills, values, and confidence needed to succeed in their future endeavours. We are committed to fostering academic excellence, character development, creativity, and social responsibility while instilling pride in our students, our institution, and the community we serve. Every achievement is recognised and celebrated, inspiring our learners to grow into responsible and compassionate global citizens.

ABOUT IGNITE

Ignite Junior College is a leading educational institution in Hyderabad, dedicated to shaping bright futures through quality intermediate education. Established in 2016, Ignite has quickly built a reputation for excellence in preparing students for competitive exams such as IIT-JEE, BITSAT, NEET, and EAMCET. With a strong focus on academic rigor and holistic development, Ignite provides well-structured classroom programs, expert faculty guidance, and modern infrastructure to support student success.

Beyond academics, Ignite emphasizes critical thinking, discipline, and a passion for learning, ensuring students are not only subject experts but also achievers ready to excel in their chosen careers. With multiple branches, hostel facilities, and a commitment to nurturing talent, Ignite Junior College stands as a trusted gateway to higher education and professional success.

WHY IGNITE

Structured Academic Planning

Planned daily academic schedule to ensure consistent progress.

Smart Learning with Technology

Supervised study sessions & concept visualization using Digi-boards.

Performance Tracking

Daily assessments, topic-wise tests, & continuous, individual monitoring.

Recreation & Fitness Facilities

Table tennis, badminton, football, air hockey, chess, carroms, Zumba, volleyball, indoors & outdoor cricket with nets, yoga & meditation.

Transport Facility Available

Events & Engagement

Academic tests, community outreach programs.

Premium Infrastructure

AC classrooms with initial strength, intentionally designed & quality of Biology, Physics & Chemistry labs.

Fully sourced comprehensive Library

Resource-Rich Campus

Well equipped library, computer lab, game-room & badminton courts, Game Zone.

Balanced Approach

Equal focus on discipline & personality growth.

Student-Centered Care

Special birthday celebrations that make students feel at home — a unique Ignite highlight.

Comprehensive Programs

Long-term, short-term & foundation courses.

Advanced Computer Lab

Expert Faculty

Dedicated and experienced teachers focused on student success.

Peaceful Learning Environment

Nutritious Organic Food & Alkaline Water

Personal Supervision by
Mr. K. Ramesh Garu
Founder & Chairman

Programs Offered

1. Grade X (CBSE & State board) After School Foundation Program(IIT & NEET)
2. Concept clarity from basics Grade VI-XII (Science & Math)
3. Board orientation sessions (CBSE & SSC)
4. Activity and Sports based Summer camps for grades 6 to 10.

IIT JEE Program

1. JEE Advanced – top batch students (VISION) are specially guided by subject matter experts (SME's) from different curricula according to the guidelines given by both NCERT & NTA
2. Four-part tests are conducted periodically, which is followed by the grand tests by the most experienced faculty.
3. Regular Doubt-sessions and paper discussions by senior most faculty (only) based on the weightage given by NTA.
4. Individual and personalized attention to students
5. Rank focused preparation & regular mock exams.

NEET Program

1. NCERT related regular assignments.
2. Daily revision schedules & exam-oriented strategy.
3. Structured mock tests with exam preparedness training.
4. Doubt solving & paper discussion sessions by senior faculty only.
5. Special focus on diagram - based questions enhancing application - based learning.
6. Performance analysis & focus on accuracy and speed practice, highlight the key areas for improvement.
7. Practical and hands- on experience based on Math, Physics, Chemistry, Botany & Zoology.
8. Intensive training by for both math & biology by subject matter experts (SME's)
9. Special training on time management on various competitive examinations.

SHORT TERM/ EAPCET Program

1. Topic wise daily assignments – special focus on key points & weightage.
2. Micro-schedules/Day-wise planner.
3. Performance analysis, doubt clarification, paper discussion and mentoring by the senior faculty only without monitoring by JL's and AL's
4. Continuous updations to parents about weekend exams & marks through SMS and call
5. Minimum 10 grand tests are conducted for their continuous preparation and improvement.

BITSAT program

1. Competitive English exam preparation by highly learned & senior faculty.
2. Specialized guidance in objective marking in aptitude & reasoning.
3. Maths analysis and continuous focus on key areas improvement.

Parent Testimonial

My name is Riyan Kamal Shaikh, and I would like to share my experience with Ignite. Initially, we had enrolled in another institute in Madhapur. However, after evaluating the environment there, we decided to explore better options. During our search, we came across Ignite. I spoke with the chairman and founder Mr. Ramesh garu, who provided a comprehensive overview of the institution, including its academic approach, facilities, and overall environment. We personally visited the campus and were impressed by the well-maintained infrastructure, sports facilities, and quality of food. Most importantly, the academic environment felt focused and supportive. Based on this, we decided to enroll my son in Ignite for long-term coaching for one year. Throughout the program, everything was managed efficiently, and the support provided by the faculty and management was consistent. As a result, my son performed exceptionally well, securing 99.32 percentile in JEE Main and achieving an 8th rank in his category in JEE Advanced. He is now pursuing opportunities at IIT Kanpur, which reflects the strong foundation he built during his time at Ignite. I truly appreciate the efforts of the Ignite management and extend my sincere thanks to Chairman Mr. Ramesh for creating such a structured and motivating environment for students.

— *Riyan Kamal Shaikh*

Parent Testimonial

“My son, Vivek, enrolled in the long-term coaching program at Ignite, and our experience has been very positive. With the support of Ignite’s structured academic approach and the Lecture Villa program, he was able to achieve excellent results. He secured a strong rank in NIT as well as a rank of 400 in EMCET. Currently, he is pursuing his studies at IIT Dhanbad, which reflects the solid foundation he built during his time at Ignite. The faculty, academic environment, and overall support system at Ignite played a crucial role in his success. Additionally, the facilities, including food and accommodation, were well-managed and satisfactory. Based on this experience, I am confident in the institution and would like to enroll my daughter here in the future as well. I sincerely thank the Ignite team for their guidance and support.”

- Jakkani Vivek

“My son studied at Ignite Institutions, and our experience has been truly excellent. The quality of education provided was outstanding, and the support from the college was consistent throughout his journey. We are especially grateful to Mr. Ramesh and his dedicated team for their guidance and commitment. The lecturers, including D.P. Sir and Venu Sir, played a crucial role in shaping his academic performance. With their support, my son was able to achieve a commendable rank in EMCET, which is a proud moment for our family. We sincerely thank the entire Ignite management and faculty for their efforts. We are confident that many more students will benefit from their guidance and achieve success in the future. We are extremely happy and proud of our son for reaching his goal, and once again, we extend our heartfelt gratitude to Ignite Institutions. Thank you.”

- Pasupuleti Shreyas Sai
